

Job Title: Senior Specialist International Tax (all genders)

SPRINGER NATURE

Springer Nature is the world's largest academic book publisher, publisher of the world's highest impact journals and a pioneer in the field of open research. The company numbers almost 10,000 staff in over 50 countries and has a turnover of approximately EUR 1.6 billion. Springer Nature was formed in 2015 through the merger of Nature Publishing Group, Palgrave Macmillan, Macmillan Education and Springer Science+Business Media,

You will be part of the Springer Nature global tax team based in Berlin. Together with the colleagues you will be responsible for international tax matters of the Springer Nature Group. You can expect exciting and challenging tasks related to the entire range of Corporate Income Tax of a global publishing house.

Your activities include:

- Support group companies abroad in tax matters such as Corporate Income Tax
 - Built experience with other tax jurisdictions outside Germany
 - Responsibility to maintain income tax compliance for our group companies together with our external tax advisors
 - Support group companies with tax reporting in the year-end closing process
 - Support in tax projects (e.g. financing, reorganizations, Transfer Pricing)
- Collaboration in global tax planning and group reporting
 - Collaborate in the preparation of group tax planning as well as in the development and implementation of measures to optimize the group tax rate
 - Monitor tax relevant KPIs of the group such as tax cash, tax expense and tax compliance status
- Cooperation and exchange with the finance department, tax authorities and external advisors worldwide
- Use and implementation of tax technology

Profile

Essential:

- Completed degree in Economics and or Business Administration
- At least 3 years of relevant experience in a tax consulting company or group tax department, covering compliance and reporting
- Very good knowledge in Corporate Income Tax law (German and/or foreign)
- Affinity with numbers, quick comprehension and strong analytical skills
- Interest in developing innovative and practicable solutions at a high professional level
- High level of commitment and sense of responsibility
- Very good MS Office knowledge
- Fluent in German and English (spoken and written)

Desirable:

- Experience with tax jurisdictions outside Germany (e.g. UK, NL, US)
- Experience in using tools such as accounting-, tax- and reporting tools (e.g. SAP, Hyperion Financial Management or similar)

Terms

Limitation: None

Working Hours: Full-time 37 hours per week

Company: Springer Nature AG Co. KGaA
