

## Stellenbezeichnung: Senior Transfer Pricing Specialist (all genders)

Anforderungskennung 38519 - Veröffentlicht - Finance/Controlling/Tax - Deutschland - (Berlin) - Springer Nature

# SPRINGER NATURE

Springer Nature is the world's largest academic book publisher, publisher of the world's highest impact journals and a pioneer in the field of open research. The company numbers almost 10,000 staff in over 50 countries and has a turnover of approximately EUR 1.6 billion. Springer Nature was formed in 2015 through the merger of Nature Publishing Group, Palgrave Macmillan, Macmillan Education and Springer Science+Business Media.

You will be part of the Springer Nature global tax team based in Berlin. Together with the colleagues you will support international transfer pricing topics of the Springer Nature Group with a focus on the Macmillan Education segment. You can expect exciting and challenging tasks related to the entire range of transfer pricing topics of a global publishing group.

### Tasks

- Analysis of business models and corporate structures (value chain analyses, functional and risk profiles)
- Establishment and implementation of transfer pricing strategies, policies and models as well as their monitoring and compliance
- Monitoring the legal framework in the relevant countries and developments at the global/OECD level
- Coordination, establishment and development of global and local transfer pricing documentation with the use of a tool (Local Files, Master File, Country-by-Country Report) in collaboration with external advisors
- Coordination and support of transfer pricing audits globally
- Establishment and management the global contractual framework for intra-group transactions
- Collaboration and exchange with the operational business areas, the corporate and finance teams as well as external advisors and tax authorities
- Support in projects with a TP focus (e.g. post-merger integration, restructuring, operationalization of transfer pricing)

### Profile

#### Essential:

- Completed degree in Economics and/or Business Administration or Law
- 3 years or more of relevant experience in a tax consulting company or group tax department, covering transfer pricing
- Very good theoretical and practical knowledge in the field of transfer pricing
- Proven experience in transfer pricing projects
- Interest in developing innovative and practicable solutions at a high professional level
- Affinity with numbers, quick comprehension and strong analytical skills
- High level of commitment and sense of responsibility
- Very good MS Office knowledge
- Fluent in German and English (spoken and written)
- Flexibility to travel (post Covid-19)

#### Desirable:

- Experience in using tools such as accounting-, tax- and reporting tools (e.g. SAP, Hyperion Financial Management or similar)
- Knowledge of contract law
- Certified tax advisor

#### We offer a comprehensive benefits package that includes

- Varied and interesting tasks
- An excellent working environment with flat hierarchies
- A good work life balance with fair working hours + a generous and flexible vacation package
- Discounted public transport
- Discounted book prices
- An excellent on-site cafeteria

#### Terms

Limitation: None  
 Working Hours: Full-time 37 hours per week  
 Company: Springer Nature AG & Co.KGaA  
 HR contact Berlin: Barbara Thorwarth

#### Excited by the prospect of joining us? We are looking forward to your online application!
